

Interdisciplinary Graduate Program in *Molecular & Cellular Biology*

Thursday @ 4:00 PM

1289 CBRB

Workshops & Seminars – Fall 2011

“Regulation of Epithelial Sodium Channel Trafficking and Gating”

Peter Snyder, M.D.

Professor of Medicine and Molecular
Physiology and Biophysics

Vice Chair for Faculty Advancement

Director of Cardiovascular Research Programs

University of Iowa

Molecular & Cellular Biology Faculty Candidate

September 29, 2011
